Plaintiff complains against Defendants and for causes of action alleges:

PARTIES

1. Plaintiff is a resident of Riverside County.
2. City of Murrieta is a political subdivision of the state of California.
3. Michael Jacob is a Murrieta city police officer sued in his individual capacity and on information and belief a resident of Riverside County.
4. Tino Abbate is a Murrieta city police officer sued in his individual capacity and on information and belief a resident of Riverside County.

¹ This version supercedes the 2nd amended complaint submitted at Doc. 109, uses proper ECF event, and reads in COA 21 against the city only. This also is submitted with a pending motion for extension of time which if given, Plaintiff shall resubmit this again with the names of the Doe Defendants learned at expedited discovery.

1 5.Doe 3, 4, 7, 8, 11, 12, 20-40 are responsible for wrongs alleged herein whom Plaintiff is unable
2 to identify by name at present and whom Plaintiff shall name when their identify becomes
3 available.

4 **JURISDICTION AND VENUE**

5 6. This Court has concurrent jurisdiction pursuant to Civil Code 52, 52.1², jurisdiction under 42
6 USC 1983 and the common law. Damages sought exceed \$75,000.

7 7. Venue is proper in this Court because the acts of the Defendants took place in Murrieta, and
8 Riverside county, CA.

9 **EXHAUSTION OF ADMINISTRATIVE REMEDIES**

10 8. Plaintiff filed with the city of Murrieta a governmental notice of claim regarding some of the
11 allegations found herein (the July 1, 2018 unlawful detainment) in or about October 2018 the city
12 of Murrieta denied those claims in or about November 2018.

13 **GENERAL ALLEGATION AS TO ALL CAUSES OF ACTION**

14 **(As To All Defendants)**

15 9. On or about January 27, 2017 Plaintiff was legally sitting in his car parked on the street in
16 front of a public park in Murrieta; the time of day was around 1 pm.

17 10. Defendant Michael Jacob approached Plaintiff's and asked Plaintiff something about
18 whether he were homeless and/or expressed his belief that Plaintiff was homeless.

19 11. Defendant then told Plaintiff it was illegal to live out of one's vehicle in the city of Murrieta.
20 That statement was false as there were no laws prohibiting Plaintiff from living out of his car in
21 the city of Murrieta. Defendant then told Plaintiff he had to leave the city.

22 12. Plaintiff asked if he were free to leave and Defendant said Plaintiff could leave and
23 indicated if Plaintiff stayed he would detain Plaintiff and issue Plaintiff a citation.
24
25
26
27

28 ² While the court accepted the R&R, it did not dismiss specifically the state action claims and allowed those to be amended.

1 13. Plaintiff did not want to leave and was desirous to remain parked where he was. Due to the
2 threat of Defendant to detain and cite Plaintiff, Plaintiff did not feel free to go about his business.

3 14. Defendant told Plaintiff he had to leave the city of Murrieta.

4 15. In so many words, Defendant told Plaintiff that he was not allowed in Murrieta if Plaintiff
5 was living out of his car.

6 16. By Defendant's language, threatening appearance and demeanor, including having a gun and
7 handcuffs, a police badge, police car and police uniform, and with Plaintiff being aware
8 personally and on the news that police can act violently, hurt, and kill people who do not obey
9 police orders, Plaintiff felt threatened with detainment, citation, arrest, jail and prosecution if
10 Plaintiff if Plaintiff drove into Murrieta in a car he were living out of.

11 17. Plaintiff does live out of his car. There are no Murrieta laws that prohibit a person from
12 driving into Murrieta in a car they live out of, or living in a car in the city of Murrieta.

13 18. Plaintiff has been excluded by threats, intimidation and coercion from Murrieta.

14 19. Plaintiff has been excluded by threats, intimidation and coercion from Murrieta from access
15 and accommodation to all businesses in Murrieta, unless of course Plaintiff walks into Murrieta.

16 20. While Plaintiff has not been precluded from walking in to Murrieta Plaintiff has a bad knee
17 and back which prohibit from walking into Murrieta, especially when needing to carry anything,
18 and further personal safety issue and personal reasons make walking into Murrieta prohibitive.
19 Plaintiff can easily be hit by a car while walking to and from Murrieta and the main streets to and
20 from businesses in Murrieta from Temecula such as Ynez and Jefferson have no sidewalks.

21 21. Plaintiff also recently had the passenger side window of his car smashed out by
22 vandals/thieves and as a result Plaintiff has no money to fix it and can't leave his car alone as all
23 his belongings can be stolen making travel via walking prohibitive.

24 22. Plaintiff fears future detainment, citation and/or arrest, including prosecution, if he drives
25 into the city of Murrieta, including violence from the police to effectuate any detainment and/or
26 arrest of Plaintiff if he returns to Murrieta in his car.
27
28

1 23. Plaintiff faces imminent threat of injury if he returns to Murrieta in his car of future
2 detainments, possible citation, arrest and jail, and prosecution, and has a reasonable fear of such.

3 24. Plaintiff fears physical force by the police – amounting to violence – in arresting Plaintiff if
4 he again enters the city of Murrieta. Plaintiff does not go into the city of Murrieta limits as a
5 result of Defendant's threats.

6 25. In each cause of action and factual allegation Michael Jacob was acting within the course
7 and scope of his employment with city of Murrieta who is liable under respondeat superior for
8 his actions for state law claims herein, and pursuant to custom, policy and training of city of
9 Murrieta.

10 26. On or about December 1, 2017 Plaintiff sent a letter to the Murrieta police chief, Mayor, and
11 each city council member about Jacob's conduct alleged herein and ask that they simply speak
12 with Jacobs and get Plaintiff an assurance that Jacob would not follow through on any of his
13 threats if Plaintiff returns to Murrieta in his car. The whole matter could have been resolved and
14 no need to bring the present action as to future injury, and absent other constitutional violations,
15 this entire case likely could have been avoided.

16 27. Each of these in turn refused to take any action to resolve the matter or to allow Plaintiff to
17 return to Murrieta in his car, and each, including the city of Murrieta, have made, accepted, and
18 ratified Jacob's actions and as a result his actions are the official custom, policy and practice of
19 Murrieta.
20

21 28. Plaintiff's dentist of 8 years is in Murrieta. Plaintiff has special needs reasons for going to
22 that dentist. As a result of Defendant's actions Plaintiff has been precluded from seeing his
23 dentist in Murrieta for 4 years, resulting in damage to Plaintiff's teeth.

24 29. On or about October 2017 Plaintiff needed to get a brain MRI for possible life threatening
25 health issues and Plaintiff's insurance only covered the procedure in Murrieta. Plaintiff barely
26 had the money and was forced to travel to Fallbrook for the same procedure and pay for it
27 himself.
28

1 30. Plaintiff has been precluded from patronizing businesses in Murrieta, including
2 accommodations provided by those businesses, been unable to seek work in Murrieta, worship at
3 any church in Murrieta, petition Murrieta city council in person at Murrieta city council meetings
4 for redress for what they and Jacob has done, and been denied the chance to travel via car
5 through its streets.

6 31. The unlawful detainments of Plaintiff are due to a custom, policy or practice, official or
7 unofficial, of the city of Murrieta to unlawfully detain citizens who are not suspected of violating
8 any laws, including homeless people, and to exclude homeless people from their city. Plaintiff
9 has been personally unlawfully detained with no basis by the Murrieta police 8 times from 2015
10 – 2018 by the Murrieta police where Plaintiff was breaking no laws. Plaintiff was detained
11 unlawfully in Temecula in a public area south of Murrieta, between Jefferson and Diaz, once
12 again in the same general location in 2016, in addition to the detainments of this action.

13 32. Plaintiff personally has witnessed the Murrieta police patrol the same area looking for
14 homeless people over a 4 year period of time.

15 33. Plaintiff has personally spoken with a group of homeless people who temporarily lived in
16 the same area south of Murrieta, between Jefferson and Diaz and Plaintiff was told that the group
17 had been unlawfully detained and ID'd by the Murrieta police on "several" occasions. That
18 group consisted of 8 persons along with 1 other person who lived with them at the time and was
19 kicked out of the group, and 3–4 others who lived about 100 yards south of the main group.
20 These 12-13 people were unlawfully stopped, detained, and ID'd by the Murrieta police on at
21 least 3 occasions for a total of 36 unlawful detainments of 12 different homeless people.

22 34. On about August 29, 2019 I spoke with an African American homeless person in the Winco
23 parking lot (which effectively borders Murrieta) in Temecula who stated he had been stopped and
24 detained on at least 10 occasions without basis by the Murrieta police and also stated that
25 Murrieta was "F*cked up" as to how they treat homeless people. He said the Temecula police left
26 him alone.
27
28

35. On about August 17, 2019 I spoke to a homeless person in front of the FedEx Office (near the Winco) on Winchester in Temecula who gave his estimate that he also was stopped and detained by the Murrieta police 10 times without a lawful basis.

36. The city of Murrieta has a custom, policy and/or practice of unlawfully detaining citizens to ID them without basis.

37. The following chart is from Riverside county records and supports Murrieta has policies, and customs of driving out the homeless from Murrieta and are for the year 2019 and are similar for the year 2020:

City	Approx. Pop.	# Homeless	Homeless to Population Ratio
Murrieta	113,000	17	1 per 6647 people
Temecula	114,000	59	1 per 1932 people
Lake Elsinore	63,000	66	1 per 950 people
Perris	78,000	77	1 per 1012 people
Riverside City	330,000	201	1 per 1641 people

Murrieta is geographically and otherwise very similar to Temecula and Lake Elsinore and Perris which all surround Murrieta. The reason for the low numbers of homeless in Murrieta are the draconian and unconstitutional policies and practices of the city of Murrieta, including their police, in driving the homeless from their city, as happened to Plaintiff.

38. The city of Murrieta has a custom, policy and/or practice of unlawfully detaining homeless people to ID them without basis.

39. The city of Murrieta has a custom, policy and/or practice of unlawfully detaining homeless people to harass them out of the city of and/or away from the city of Murrieta.

40. Plaintiff otherwise has no viable means travel into Murrieta to speak with other homeless people there to ask them as to whether they are unlawfully detained by the Murrieta police as Plaintiff is not permitted to drive into Murrieta, walking is not feasible given Plaintiff's health issues, and the area where many homeless hang out Plaintiff was unlawfully ordered out of by the Murrieta police. Had Plaintiff not been effectively banished from Murrieta Plaintiff would

1 have travelled into Murrieta, spoken with homeless people there, and Plaintiff would have been
2 able to discovery more instances of civil rights violations like those Plaintiff went through.
3 Plaintiff is effectively unable to leave my car unattended as it have his life's belongings in it and
4 has a smashed out window.

5 41. Plaintiff has also crossed paths with officer Michael Jacobs on at least 5 prior occasions in
6 the months leading up to January 27, 2017 based on Plaintiff's observations. Each of those 5
7 occasions took place in the shopping center where a 99 cent Only store is located off of Jefferson
8 near Murrieta Hot Springs Rd. Plaintiff would shop at that store almost daily and would sit in
9 Plaintiff's car after shopping in the parking lot and about 2 times per week average would notice
10 a Murrieta police SUV which would enter and slowly drive through the parking lot which almost
11 always drove within 50 yards of where Plaintiff was parked and about 15% of the time drove
12 right in front of Plaintiff. Officer Jacobs is African-American and on 2 occasions Plaintiff noticed
13 that the driver of the police SUV was African American. Approximately on 50 occasions after
14 leaving the parking lot Plaintiff would drive north on Jefferson Ave and travel to the Santa Rosa
15 hiking area which was my routine at the time Jacob detained my and ordered me out of Murrieta,
16 and the Murrieta police station is located on Jefferson Ave. so on approximately 50 occasions
17 Plaintiff drove directly in front of the Murrieta police station and the length of the area in
18 Murrieta which was Jacob's beat.

19 42. Plaintiff has been precluded from entering Murrieta due to the unlawful threats of Jacobs.

20 43. Jacobs threats are real, and imminent upon Plaintiff's return to Murrieta.

21 44. Jacobs "speech" made in making the threats do not involve speech alone as those threats
22 were made by someone with a gun in his holster, who also had handcuffs, and who is empowered
23 by the state to incarcerate Plaintiff at his discretion for violating his orders, even when wrong.

24 45. Jacobs "speech" to arrest Plaintiff also entailed the use of force and violence to follow
25 through with his threats as Plaintiff would be subjected to violence to be arrested or detained
26 against his wishes to be cited Jacob if Plaintiff chose to leave against Jacob's orders.
27
28

1 46. For example, if Jacob unlawfully threatens to cite or arrest Plaintiff if he entered a city
2 council meeting, which Plaintiff and all others had the right to do, with Jacob standing next to
3 the door when making that threat, and Plaintiff attempted to walk up and pull open the door to go
4 inside the city council meeting, there is the natural threat Jacob shall use violence to restrain
5 Plaintiff, prevent him from entering, with Jacob tackling Plaintiff, forcing him to be handcuffed
6 and taken to jail etc.

7 47. Plaintiff has been subjected to speech containing threats of violence:

8 18 U.S. Code § 16 defines violence as that which "has as an element the use, attempted use,
9 or threatened use of physical force against the person or prop-erty of another," or "by its nature,
10 involves a substantial risk that physical force against the person"

11 The legal dictionary at <https://legal-dictionary.thefreedictionary.com/violence> define it
12 as:

13 VIOLENCE. The abuse of force. Theorie des Lois Criminelles, 32. That force which is
14 employed against common right, against the laws, and against public liberty. Merl. h. t, 2.
15 In cases of robbery, in order to convict the accused, it is requisite to prove that the act was
16 done with violence; but this violence is not confined to an actual assault of the person, by
17 beating, knocking down, or forcibly wresting from him on the contrary, whatever goes to
18 intimidate or overawe, by the apprehension of personal violence, or by fear of life, with a
19 view to compel the delivery of property equally falls within its limits. Alison, Pr. Cr. Law
20 of Scotl. 228; 4 Binn. R. 379; 2 Russ. on Cr. 61; 1 Hale P. C. 553. When an article is
21 merely snatched, as by a sudden pull, even though a momentary force be exerted, it is not
22 such violence as to constitute a robbery. 2 East, P. C. 702; 2 Russ. Cr. 68; Dig. 4, 2, 2 and
23 3.

24 A Law Dictionary, Adapted to the Constitution and Laws of the United States. By John
25 Bouvier. Published 1856.

26 Black's online law dictionary at <https://thelawdictionary.org/violence/> states:

27 What is VIOLENCE?

28 The term "violence" is synonymous with "physical force," and the two are used
interchangeably, in relation to assaults, by elementary writers on criminal law. State v.
Wells, 31 Conn. 212.

48. Plaintiff has been subject to violence, the threat of violence, the threat of the use of physical
force, and the like against his person if not complying with Jacob's threats against Plaintiff
alleged herein.

FIRST CAUSE OF ACTION
Cal. Civ. Code §52 Violations – Unruh Civil Rights
(Michael Jacob, City of Murrieta)

49. Plaintiff incorporates all allegations of the Complaint herein.

50. Under the Unruh Civil Rights Act it is wrongful to deny a person equal accommodations and access to a public business.

51. Unruh Civil Rights violations also occur when someone is denied equal accommodations or public business access to any person on arbitrary and/or capricious grounds. See In re Cox (1970) 3 Cal. 3d 205.

52. Defendant prevented Plaintiff from entering a public business in Murrieta on the grounds Plaintiff's car was homeless, violating the Unruh Act.

53. Defendant has prevented Plaintiff from entering any and **all public businesses** in Murrieta, denying Plaintiff equal accommodations under the Unruh Act.

54. While Plaintiff has not been precluded from walking in to Murrieta Plaintiff has a bad knee and back and now heart / artery issues which prohibit from walking into Murrieta, especially when needing to carry anything, and further personal safety issue and personal reasons make walking into Murrieta prohibitive.

55. Defendants' acts in denying Plaintiff the right to public accommodations in Murrieta was arbitrary and/or capricious. Defendant also denied Plaintiff access to accommodations in Murrieta because he was homeless and to this extent, Defendant's actions were substantially motivated on that, and are arbitrary and capricious.

56. Defendants were acting under color of state law. Defendant acted intentionally. Defendant acted out of malice towards Plaintiff and/or the homeless.

57. Plaintiff was injured thereby;

58. Defendants acts were the proximate cause of Plaintiff's injury.

1 59. Plaintiff seeks injunctive, declaratory and mandamus relief only to allow Plaintiff to return
2 in his car to Murrieta.

3 **FOURTH CAUSE OF ACTION**
4 **42 U.S.C 1983 – EQUAL PROTECTION**
5 **(Michael Jacob, City of Murrieta)**

6 60. Plaintiff incorporates all preceding allegations herein.

7 61. Plaintiff had his right to intrastate travel taken and/or burdened.

8 62. The court in United States v. Wheeler (1920) 254 U.S. 281, 293 said: "In all the states, from
9 the beginning down to the adoption of the Articles of Confederation, the citizens thereof
10 possessed the fundamental right, inherent in citizens of all free governments, peacefully to dwell
11 within the limits of their respective states, to move at will from place to place therein ..."

12 63. "the right of locomotion, the right to remove from one place to another according to
13 inclination, is an attribute of personal liberty, and the right, ordinarily, of free transit from or
14 through the territory of any State is a right secured by . . . the Constitution." Williams v. Fears
15 179 U.S. 270 (1900).

16 64. Plaintiff has been denied equal protection of laws under the 14th Amendment of the U.S.
17 Constitution, Defendants having intentionally acted to treat Plaintiff differentially than others
18 similarly situated in Murrieta who can drive, park and sit in their cars on city streets without
19 issue and ONLY Plaintiff is ordered out due to the appearance of his car or being someone
20 without a home. There is no rational basis for the differential treatment.

21 65. All other citizens in the United States can travel into and through Murrieta in their
22 automobiles, and only Plaintiff can not due to him living out of it which is not against any law.

23 66. No federal, state or local laws prohibit a person from travelling into or through a city due to
24 them living out of their car.

25 67. Plaintiff and Plaintiff alone must walk into Murrieta and not drive his car, and there is no
26 rational basis for that; further, Plaintiff has a bad knee making walking long distances difficult if
27 not impossible, and there are safety issues in walking such as being struck by a car. Plaintiff
28

1 would be otherwise forced to take a bus, however, busses are very intermittent in Temecula to
2 Murrieta, and there are severe waiting times, and health issues; for example, people who ride the
3 bus might be, and are sick, and sneeze, getting fellow riders sick, and in San Diego there is a
4 hepatitis A outbreak which is close to Temecula, and easily Plaintiff might pick up hepatitis A
5 riding a bus or coronavirus, especially a crowded one. Plaintiff further has personal/religious
6 beliefs which limit his ability to take public transportation.

7 68. There are personal freedom issues being forced to ride a bus. No one else is forced to do
8 such things to come into Murrieta and there is no rational basis for forcing Plaintiff to do these
9 things.

10 69. Defendant was acting under color of state law;

11 70. Plaintiff has been injured thereby. Plaintiff has suffered mentally, emotionally, and been
12 precluded from engaging in commerce and receiving needed medical care in Murrieta;

13 71. Plaintiff faces the threat of detainment, citation, arrest and/or prosecution if he enters
14 Murrieta; no other citizen in this county faces a similar threat.

15 72. Defendants acts were the proximate cause of Plaintiff's injury.

16
17 **SIXTH CAUSE OF ACTION**
18 **California State Constitution Violations - Bane Act**
19 **(Michael Jacob, City of Murrieta)**

20 73. Plaintiff incorporates all allegations of the complaint herein.

21 74. The Bane Act proscribes in California Civil Code § 52.1 a person from doing the following:
22 "interfer[ing] by threats, intimidation, or coercion, or attempt[ing] to interfere by threats,
23 intimidation, or coercion, with the exercise or enjoyment by any individual or individuals of
24 rights secured by the Constitution or laws of the United States, or of the rights secured by the
25 Constitution or laws of this state." "The essence of a Bane Act claim is that the defendant, by the
26 specified improper means (i.e., 'threats, intimidation or coercion'), tried to or did prevent the
27 plaintiff from doing something he . . . he had the right to do under the law or to force the plaintiff
28 to do something that he . . . was not required to do under the law. Shoyoye v. County of Los

1 Angeles, 203 Cal.App.4th 947, 955-56 (2012) (quoting Jones v. Kmart Corp., 17 Cal.4th 329,
2 334 (1998)). "A defendant is liable if he or she interfered with or attempted to interfere with the
3 plaintiff's constitutional rights by the requisite threats, intimidation, or coercion." Id. at 846.

4 75. One of many rights interfered with is the right to travel upon the public street of a city the
5 court in Escobedo v. State of California (1950) 35 Cal.2d 870, 875-876,4 the court stated in part:

6
7 "Fundamentally it must be recognized that in this country 'Highways are for the use of the
8 traveling public, and all have ...the right to use them in a reasonable and proper manner, and
9 subject to proper regulations as to the manner of use.' (13 Cal.Jur.371, § 59.) 'The streets of
10 a city belong to the people of the state, and the use thereof is an inalienable right of every
11 citizen, subject to legislative control or such reasonable regulations as to the traffic thereon
12 or the manner of using them as the legislature may deem wise or proper to adopt and
13 impose.' (19 Cal.Jur.54, § 407.) 'Streets and highways are established and maintained
14 primarily for purposes of travel and transportation by the public, and uses incidental thereto.
15 Such travel may be for either business or pleasure . . . The use of highways for purposes of
16 travel and transportation is not a mere privilege, but a common and fundamental right, of
17 which the public and individuals cannot rightfully be deprived . . . '[A]ll persons have an
18 equal right to use them for purposes of travel by proper means, and with due regard for the
19 corresponding rights of others.' (25 Am.Jur.456-457, § 163; see, also, 40 C.J.S. 244-247, §
20 233.) Notwithstanding such general principles characterizing the primary right of the
21 individual, it is equally well established (as is recognized in the texts above cited) that usage
22 of the highways is subject to reasonable regulation for the public good. In this connection,
23 the constitutionality of various types of financial responsibility laws has been often upheld
24 against contentions that they violated the due process clause of the Fourteenth Amendment.
25 'The use of the public highways by motor vehicles, with its constant dangers, renders the
26 reasonableness and necessity of regulation apparent. . . ."

19 76. The California Supreme Court stated:

20
21 "The streets of a city belong to the people of the state, and every citizen of the state has a
22 right to the use thereof, subject to legislative control The right of control over street
23 traffic is an exercise of a part of the sovereign power of the state" (Ex parte Daniels [31
24 Cal.3d 550] (1920) 183 Cal. 636, 639 [192 P. 442, 21 A.L.R. 1172].) fn. 3
25 ""The use of highways for purposes of travel and transportation is not a mere privilege, but a
26 common and fundamental right, of which the public and individuals cannot rightfully be
deprived ... [A]ll persons have an equal right to use them for purposes of travel by proper
means, and with due regard for the corresponding rights of others."" (Escobedo v. State of
California (1950) 35 Cal.2d 870, 875-876 [222 P.2d 1], fn. 4 quoting 25 Am.Jur., Highways,
§ 163, p. 457; italics added.)

27 77. Defendant attempted to – and has - interfere by threat, intimidation and/or coercion with
28 Plaintiff's exercise and enjoyment of rights secured by the U.S. and state Constitutions and state

1 and federal statute. Plaintiff has the right to not be detained and cited, and to be treated equally,
2 under the 4th and 14th Amendments of the U.S. Constitution for simply driving his car in Murrieta
3 with personal belongings in it, however fervently that Defendant dislikes that. Plaintiff has the
4 right to travel throughout the state unhindered and without fear of arrest, citation or detainment
5 simply because the city of Murrieta and/or Defendant dislikes the homeless. Plaintiff has the
6 freedom to contract and certainly has the right to see his dentist, optometrist and go get needed
7 imaging done at the MRI lab in Murrieta and enjoy contractual relations with these persons and
8 businesses. Plaintiff has the right to not have his right to interstate travel burdened. Plaintiff has
9 the right to petition Murrieta city council for redress for Defendant's wrongful conduct. Plaintiff
10 has the right to associate with those whom he wished, in any city. Each of these rights has been
11 denied or materially burdened. Under the state constitution Plaintiff is also guaranteed similar
12 rights.

13
14 78. Plaintiff was threatened with citation if he did not leave Murrieta and if Plaintiff ever
15 returned to Murrieta in a car he lived out of.

16 79. Plaintiff was threatened with arrest if he did not leave Murrieta and if Plaintiff ever returned
17 to Murrieta in a car he lived out of.

18 80. Plaintiff was coerced through fears the threat of force and violence by Defendants if he did
19 not leave Murrieta and if Plaintiff ever returned to Murrieta in a car he lived out of.

20 81. Plaintiff was intimidated into leaving Murrieta and not returning by Jacob.

21 82. Plaintiff was coerced into leaving Murrieta and not returning by Jacob.

22 83. Plaintiff was forced into leaving Murrieta and not returning by Jacob through threats.

23 84. Defendant attempted to intimidate Plaintiff into leaving Murrieta and not returning by Jacob.

24 85. Defendant attempted to coerce Plaintiff into leaving Murrieta and not returning by Jacob.

25 86. Defendant attempted to force Plaintiff into leaving Murrieta and not returning by Jacob
26 through attempted threats.
27
28

1 87. Plaintiff also fears the use of violence being used against him if upon return to Murrieta
2 Plaintiff wishes to go about his business there and in refusing to be unlawfully detained, the
3 police shall engage in acts of violence to subdue and/or arrest Plaintiff for the exercise of his
4 right to be free from unreasonable seizure.

5 88. Plaintiff additionally must – if Defendants attempt to cite Plaintiff – voluntarily be detained
6 where he otherwise would be free to go about his business if Defendants decide to cite Plaintiff,
7 and Plaintiff fears the use of force and violence if Plaintiff attempts to go about his business.

8 89. Plaintiff was and is injured by Defendant's actions.

9 90. Defendant's actions were the proximate cause of Plaintiff's injury.

10 **SEVENTH CAUSE OF ACTION**

13 91. Plaintiff incorporates all allegations of the Complaint herein.

14 92. Plaintiff was also legally sitting in his car in Temecula or at least was unaware of any laws
15 being broken in April 2017 when 2 Murrieta officers drove into Temecula and detained Plaintiff
16 simply because they felt like ID'ing him.

17 93. Plaintiff has been similarly detained by Murrieta officers on 2 prior occasions where
18 Plaintiff was legally minding his own business in Temecula in 2015 and/or 2016.

19 94. Plaintiff attempted to get via records requests information from Murrieta which might have
20 shed light on the legality of the detainment in April and Murrieta refused to give any
21 information.

22 95. Defendants were acting under color of state law.

23 96. Plaintiff had his civil rights violated under the 4th and 14th Amendments.

24 97. Plaintiff was injured thereby having lost his rights and having to live in fear of unlawful

THIRTEENTH CAUSE OF ACTION
42 USC 1983 – 4TH AMENDMENT
(Michael Jacob, City of Murrieta)

99. Plaintiff incorporates all preceding allegations herein.

100. Plaintiff was seized under the 4th Amendment of the U.S. Constitution by Jacob on January 27, 2017.

101.

A person is seized by the police and thus entitled to challenge the government's action under the Fourth Amendment when the officer, " 'by means of physical force or show of authority,' " terminates or restrains his freedom of movement, *Florida v. Bostick*, 501 U.S. 429, 434, 111 S.Ct. 2382, 115 L.Ed.2d 389 (1991) (quoting *Terry v. Ohio*, 392 U.S. 1, 19, n. 16, 88 S.Ct. 1868, 20 L.Ed.2d 889 (1968)), "through means intentionally applied," *Brower v. County of Inyo*, 489 U.S. 593, 597, 109 S.Ct. 1378, 103 L.Ed.2d 628 (1989) (emphasis in original).

See *Brendlin v. California* 551 U.S. 249, 254 (2007)

102. Plaintiff was in fact seized under the 4th Amendment per *Brdndlin* as Jacobs did in fact restrain Plaintiff's freedom of movement by a show of authority when Plaintiff's freedom of movement in the city of Murrieta was completely terminated and denied where Plainiff was forced to leave Murrieta or face citation, arrest, jail etc. if he didn't immediately leave the city.

103. A person is seized not only when a reasonable person would not feel free to leave an encounter with police, but also when a reasonable person would not feel free to remain somewhere, by virtue of some official action. See *Florida v. Bostick*, 501 U.S. 429, 439, 111 S.Ct. 2382, 115 L.Ed.2d 389 (1991) (whether seizure occurred depends upon whether a reasonable person would believe he was "not free to decline the officers' requests or otherwise terminate the encounter"); *Evans v. Ball*, 168 F.3d 856, 861 (5th Cir. 1999) (collecting cases holding that pre-trial restriction on interstate travel is a seizure); *Kernats v. O'Sullivan*, 35 F.3d 1171, 1177-78 (7th Cir. 1994) (denial of freedom to remain in a place can be a seizure); *Beverlin v. Grimm*, 1995 WL 470274 (N.D.Ill. Aug. 4, 1995), 1995 U.S. Dist. LEXIS 11145, *8 n. 1 ("[W]e think the *Terry* rationale is applicable to unlawful interference with freedom of movement, whether it be exerted by preventing a person from leaving or forcing her to leave.").

1 We conclude that Bush's allegations, viewed in the light most favorable to him, establish an
2 unreasonable seizure in violation of the Fourth Amendment by virtue of his being ordered back
3 across Eight Mile.

4 104. Plaintiff did not feel free to remain in the place he was at as Jacob threatened Plaintiff with
5 citation if he remained in that location and did not immediately leave the city of Murrieta.

6 105. Plaintiff did not feel free to ignore Jacob and go about his business or to terminate the
7 encounter. See *Michigan v. Chesternut*, 486 U.S. 567, 569 (1988) (“In this case, we review a
8 determination by the Michigan Court of Appeals that any "investigatory pursuit" of a person
9 undertaken by the police necessarily constitutes a seizure under the Fourth Amendment of the
10 Constitution. We conclude that the police conduct in this case did not amount to a seizure, for it
11 would not have communicated to a reasonable person that he was not at liberty to ignore the
12 police presence and go about his business.”)

13 106. Ninth Circuit case law holds that threatened injury constitutes “injury in fact”. See *Central*
14 *Delta Water Agency v. United States*, 306 F.3d 938, 947-48 (9th Cir. 2002)

15 107. Plaintiff’s was threatened with a loss of his 4th Amendment rights to be free from
16 unreasonable seizure and under 9th Circuit holdings that constituted an injury-in-fact to
17 Plaintiff’s 4th Amendment rights. Thus, Plaintiff must prevail on this case of action. Plaintiff’s
18 seizure would have otherwise been unreasonable as Plaintiff was otherwise violating no laws and
19 was not suspected of violating any laws.
20

21 108. Plaintiff was threatened with detainment if he did not leave Murrieta, and by virtue of
22 disobedience to Defendant’s police order not to return to Murrieta unless Plaintiff ceases to live
23 out of his car which Plaintiff was unable to do, Plaintiff faces a threat to his 4th Amendment
24 rights to be free from unreasonable seizure in the future if he drives into Murrieta in his car
25 which Plaintiff lives out of.

26 109. It is unreasonable to seize a homeless person because they refuse to leave a city for the sole
27 reason of being homeless and living out of their car which is what Jacob did;
28

1 110. It is unreasonable to seize a homeless person because they return to a city driving a car that
2 they live out of which is what Jacob did;

3 111. Plaintiff was seized under the 4th Amendment of the U.S. Constitution.

4 112. Defendant was acting under color of state law;

5 113. Plaintiff has been injured thereby. Plaintiff faces the threat of detainment, citation, arrest
6 and/or prosecution if he enters Murrieta; no other citizen in this county faces a similar threat.

7 114. Defendants acts were the proximate cause of Plaintiff's injury.

9 **FOURTEENTH CAUSE OF ACTION**
10 **42 USC 1983 – 4, 14TH AMENDMENT**
11 **(Doe 3, City of Murrieta)**

12 115. Plaintiff incorporates all preceding allegations herein.

13 116. In or about November, 2017 Plaintiff was legally walking in an area of Murrieta which is
14 owned by the state or county. Doe 3 drove up to Plaintiff and said he was authorized by the
15 county/state agency owning the property he could arrest anyone he wants on that property. On
16 information and belief, he is authorized only to tell homeless people to leave that area if they are
17 living in that area, and then arrest them if they don't leave. Plaintiff does not live in that area.
18 The trail Plaintiff was on is driven over by about 70 cars per day, and is used by bicycles, to walk
19 on by citizens all or most all days, to ride motorcycles on, ATVs and horseback ride on. Yet
20 only Plaintiff was excluded from the use of that trail and area. This was because minutes earlier
21 Doe 3 had talked to Plaintiff when he was parked in his car in Temecula and believed Plaintiff to
22 be homeless.

23 117. Plaintiff had a liberty interest and equal protection interest to utilize that trail and area of
24 Murrieta all of which was otherwise legal.

25 118. Plaintiff was deprived of these rights by Doe 3. Similarly situated people are allowed to use
26 that trail and area.
27
28

1 119. Plaintiff complained about 5 times to the police chief and various commanding officers who
2 did nothing to alleviate the matter, and they have ratified that conduct and/or it is policy of the
3 city.

4 120. Defendants were acting under color of state law;

5 121. Plaintiff has been injured thereby. Plaintiff faces the threat of detainment, citation, arrest
6 and/or prosecution if he enters that area of Murrieta; no other citizen in this county faces a
7 similar threat.

8 122. Defendants acts were the proximate cause of Plaintiff's injury.

15 simply get him to agree not to detain, cite, arrest etc. Plaintiff for driving into Murrieta in his car
